REQUEST

Approve and delegate authority to the Director of Mental Health or his designee to prepare, sign and execute amendments to twenty-eight (28) Mental Health Services Contract Allowable Rate Fee-For-Service (FFS) Medi-Cal Acute Psychiatric Inpatient Hospital Services Agreements with current contracted FFS Medi-Cal Acute certified inpatient hospitals for Fiscal Year (FY) 2006-07 only.

PURPOSE/JUSTIFICATION

This action is being taken to allow the Department of Mental Health to comply with the California Department of Mental Health (CDMH) directive to all counties to increase the administrative day rate of payment from \$374.75 to \$388.35, to contracted FFS Medi-Cal Acute certified inpatient hospitals as listed in the Attachment. Board approval will allow FFS Medi-Cal acute psychiatric inpatient hospital contractors to maintain levels of administrative day services to severely mentally ill clients who reside throughout the County of Los Angeles.

BACKGROUND

The State mandated counties to implement an increase in the administrative day rate for FFS Medi-Cal acute psychiatric inpatient hospital contractors dated September 27, 2006. On December 20, 1994, the Board approved Los Angeles County's participation in FFS Medi-Cal psychiatric inpatient hospital services consolidation and the transfer of State General Fund Medi-Cal match dollars to the County for payment of services and administration of the program. Chapter 633 (AB 757) of statutes of 1994 authorized the transfer of State funding for FFS Medi-Cal acute psychiatric inpatient hospital services from California Department of Health Services (CDHS) to CDMH. CDMH determines the maximum base administrative day rates for hospital inpatient services which are established by the CDHS.

These amendments will be effective August 1, 2006, due to the FY 2006-07 notification of this rate change by CDMH. These agreements do not contain a maximum contract amount but specify contract allowable rates per day for acute psychiatric inpatient
